

# TRANSITION TO WORK

## VOCATIONAL EVALUATIONS

### Level II Evaluation (5 days)

- Interest inventory
- Career exploration
- Assessment of current academic levels
- Learning style assessment
- Clerical, mechanical, spatial assessment
- Observation of work habits, attitudes, tolerance, relationship and physical abilities

### Level III Evaluation (10 days)

- Two weeks of Career Exploration and Situational Assessments in specific training areas
- Options include: Clerical, Stock/Inventory, Packaging and Assembly, Building Maintenance, Retail, Food Service and Community Worksite Experience
- Situational assessments includes insight into vocational functioning for consideration in transition planning

*Level II and Level III can be combined for a Modified Comprehensive Vocational Evaluation (15 days)*

123 Frost Street, Suite B  
Westbury, NY 11590

### Contact:

Danielle Bantileskas, LCSW  
Director of Transition to Work  
516-741-2010, ext. 1044

*\*Assessments have been developed to meet the needs of a variety of students. Assessment materials and approaches vary in response to differing math reading, IQ and functional levels. These assessments are followed by a comprehensive written report which will be sent to the parent and referring school district. Contact your district for more information.*
